ACORDS / AGREEMENTS

For each candidate, the selection test session will consist of a brief personal presentation of academic merits (maximum 20 min) followed by a seminar of a topic chosen by the candidate (maximum 45 min).

After that, the Committee will ask any questions that it deems appropriate on academic merits, the seminar given or any other aspect related to the contract offered and the activities that candidates are expected to carry out.

For the presentation, a suitable place must be chosen by the candidate and a webcam should be used to have a complete view of the candidate during the whole test.

Before starting the test, the Commission will ask the candidate for a close-up of him and present his ID or passport to the camera. These first few minutes will be recorded.

Candidates will be informed of the webroom two days before the test (October 13, 2020; see the timetable below), and instructions will be given to check that everything is right with the internet connection and the presentation procedure.

Candidates should access the webroom 10 min before starting the selection test.

Any person interested in attending the selection tests must contact previously with the secretary of the Commission (segarra@cttc.upc.edu).
